Record #1

Date recorded: 03/04/2018
Symptoms: What a strange person. Well, how'd you become king, then? Listen. Strange women lying in ponds distributing swords is no basis for a system of government. Supreme executive power derives from a mandate from the masses, not from some farcical aquatic ceremony. Shut up! Will you shut up?! On second thoughts, let's not go there. It is a silly place. You don't vote for kings. I have to push the pram a lot. She looks like one. I'm not a witch. Oh, ow! Now, look here, my good man. Look, my liege! Burn her anyway! You can't expect to wield supreme power just 'cause some watery tart threw a sword at you!
